OVERLAY PROJECT ON STATE ROUTE 41 IN DOWNTOWN FRESNO CONTINUES

WHAT: CLOSURE OF TRAFFIC LANES, ON & OFF RAMPS FOR CONCRETE OVERLAY IMPROVEMENT PROJECT.

WHERE: WITHIN THE CITY OF FRESNO; NORTHBOUND AND SOUTHBOUND STATE ROUTE (SR) 41 NEAR DOWNTOWN FRESNO.

The California Department of Transportation (Caltrans) announces **American Civil Contractors West Coast Inc.** is currently conducting night work within both directions of SR 41 in order to eliminate traffic impacts to motorists during the day. This project is anticipated to be completed by summer 2015 or within 85 working days.

The following ramps are subject to closures Monday-Friday from 6:00 p.m. until 6:00 a.m. the following morning: Ramps are being closed as needed during alternate lane closures when construction is taking place along either the northbound or southbound lanes. (No two consecutive ramps will be closed)

- "M" Street On-ramp
- "O" Street Off-ramp
- Van Ness Off-Ramp

The following lanes are subject to alternating lane closures in order to safely complete this project:

- Northbound lane closures from 8:00 p.m. until 6:00 a.m.
- Southbound lane closures from 9:00 p.m. until 6:00 a.m.
- Two travel lanes will be closed in either the northbound or southbound direction each night after 10:00 p.m.

Advance signage has been placed at ramp locations advising motorists of pending ramp closures. Motorists attending downtown events are encouraged to utilize an alternate route to avoid possible delays as a result of congestion within the construction limits.

Caltrans would like to thank the local residents, businesses and commuters for their patience during these closures and reminds you to drive with extra care. Please be alert for Road construction personnel, merge when directed, adhere to posted signage and please **"Slow for the Cone Zone" at all times. We value your safety and those of our worker's, please do your part to ensure we all get home safely to our families.**
